Dear Mr. Rodriguez:

The Board of County Commissioners of Otero County thank you for your presentation at our February meeting about the grow facility your company proposes to build here in Otero County near Tularosa. We appreciate you coming to us.

We were impressed by your presentation. Your company has thoughtfully considered the issues that we would be concerned about—security, water supply, the impact on neighboring properties. Ultra Health appears to us to be a responsible, concerned corporate citizen. Your company will bring much needed jobs and economic development to our county and we offer our support to your project.

Sincerely yours,

BOARD OF COUNTY COMMISSIONERS OF  
OTERO COUNTY, NEW MEXICO
